This bulletin is intended to be general in nature. We are eager to work with you in the development of new products and processes. For additional information about our products, please call 1-800-323-5321.

The information contained herein is, to our best knowledge, true and accurate, but all recommendations or suggestions are made without guarantee, since we can neither anticipate nor control the different conditions under which this information and our products are used. Each manufacturer should evaluate the nutrient content of its final products to determine compliance with food labeling regulations when making nutrient claims. Further, The NutraSweet Company disclaims all liability with regard to its customers' infringement of third party patents. We recommend that our customers apply for licenses under any relevant patents. No statement herein or by our employees shall be construed to imply the nonexistence of relevant patents or as a recommendation or inducement to infringe said patents. It is our policy, however, to assist our customers and to help in the solution of particular problems that may arise in connection with applications of our products.

Neotame is made by NutraSweet Property Holdings, Inc. under license, U.S. Patent No. 5,480,668. ©2001 NutraSweet Property Holdings, Inc. All Rights Reserved.
